

**Verification of 2013 Income Information for Student Nontax Filers
(Independent Student)**

The instructions and certifications below apply to each student and spouse, if the student is married. Complete this section if the student and spouse will not file and are not required to file a 2013 income tax return with the IRS.

Check the statement that applies:

- The student and spouse were not employed and had no income earned from work in 2013.
- The student and/or spouse were employed in 2013 and have listed below the names of all employers, the amount earned from each employer in 2013, and whether an IRS W-2 form is provided. [**Provide copies of all 2013 IRS W-2 forms issued to the student and spouse by their employers**]. List every employer even if the employer did not issue an IRS W-2 form.

If more space is needed, provide a separate page with the student's name and ID number at the top.
