

**Haskell Indian Nations University**  
**Faculty of Natural Sciences**

Dear prospective Environmental Science Student:

Thank you for your interest in Haskell Indian Nations University and the Environmental Science (ES) Bachelor of Science degree program.

Please read the instructions carefully before completing your application. We suggest you make a photocopy of each application and prepare a rough draft before completing the original to ensure its accuracy. If you have applied to the Environmental Science program prior to this semester, you may need to submit a new application form and include any new materials not previously required.

The Environmental Science admissions committee will review your application for completeness and for admission eligibility.

We look forward to working with you to accomplish your educational goals.

Sincerely,

The Natural Sciences Faculty and staff of the Environmental Science program
